

Brighton & Hove Athletic Club – Privacy Notice

(Last updated: September 2025)

1. What personal data we hold

- Contact information: name, address, email address, phone number
- Athletics affiliation: associated England Athletics club, gender, date of birth
- Health / medical data (only when voluntarily supplied, to ensure safe training)
- Photographs / images taken at club events (used with your permission).

2. How we collect your data

We may collect this data when you:

- Become or renew as a club member
- Fill event / training / registration forms
- Provide health / medical info voluntarily
- Grant permission for images / media use.

3. Purpose & lawful basis

- To administer membership and communication with members
- To manage training and competition entries (sharing with coaches, officials)
- To use images for publicity, social media, websites (with permission)
- For health & safety (with explicit consent for special data).

4. Data sharing & third parties

We may share data with:

- England Athletics (for affiliation, membership systems)
- Coaches / officials, event organisers, competition bodies
- Coacha (our membership management system).

We do NOT share your data with unrelated third parties for marketing unless you explicitly consent.

5. Retention & deletion

- While you are a member, we retain your data
- When you cease membership, all information is removed per the club's stated policy
- For non-member data (e.g. event visitors), we hold it only temporarily (e.g. 12 weeks) and then delete.

6. Rights & access

You have rights under data protection law to:

- Request a copy of your data
- Ask for correction or erasure
- Object or restrict processing
- Withdraw your consent (for images, health data etc.)
- Complain to the Information Commissioner's Office (ICO).

If a photo of you appears on our site or social media and you want it removed, contact us at info@brightonandhoveac.com.

7. Changes to this notice

We may revise this notice from time to time to reflect changes in practice or law. Significant changes will be communicated to members.
